El hilo de la vida

Espero...

...hacerme mayor

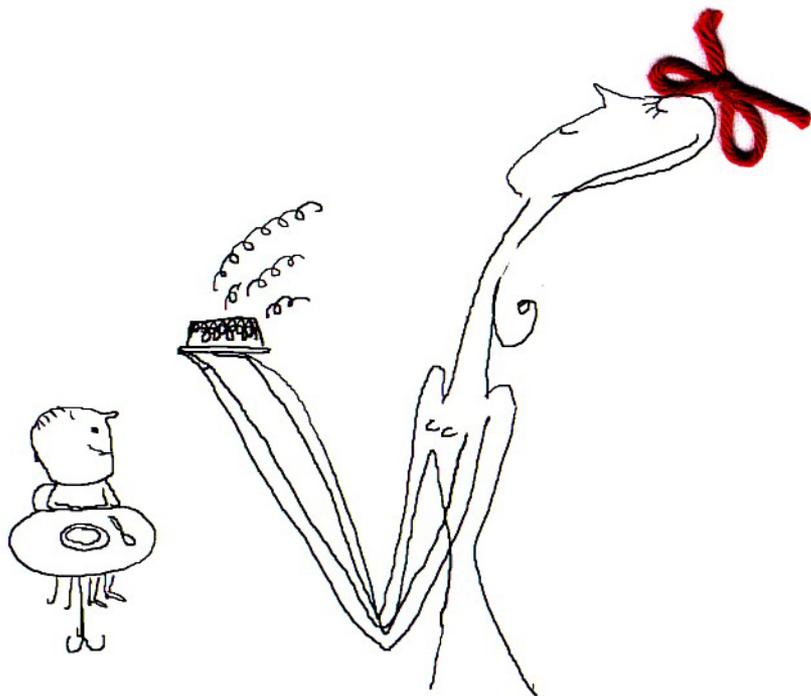

Espero...

...un beso antes de ir a dormir

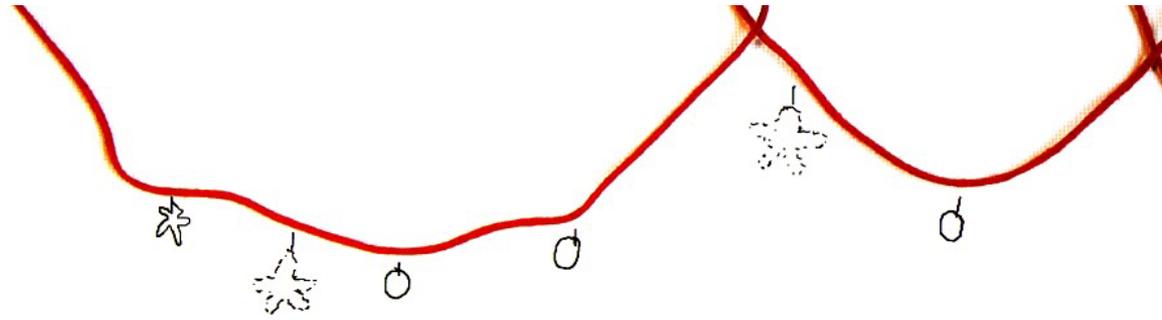

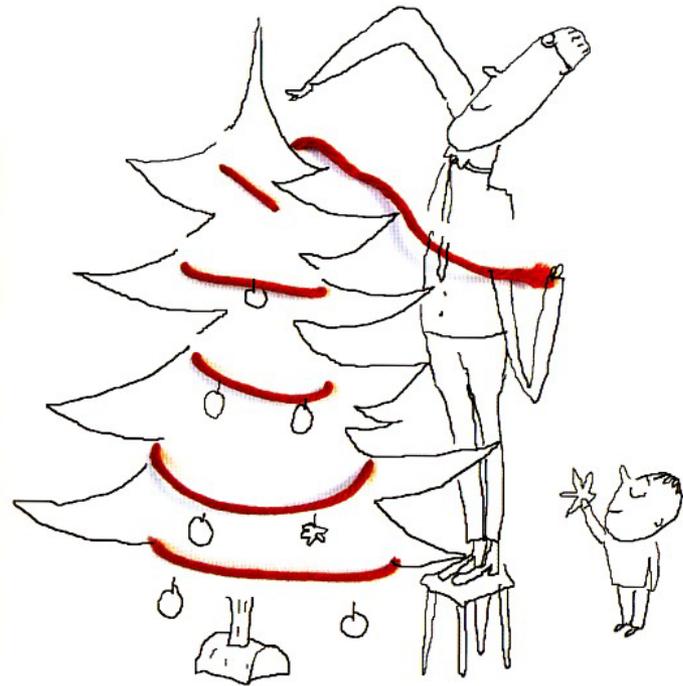

Espero

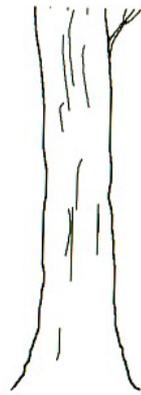

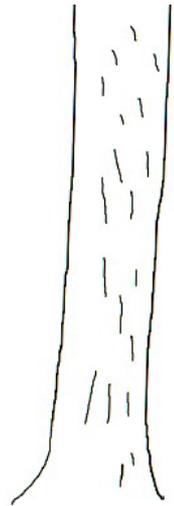

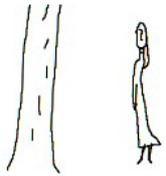

...que este listo el pastel

...que deje de llover

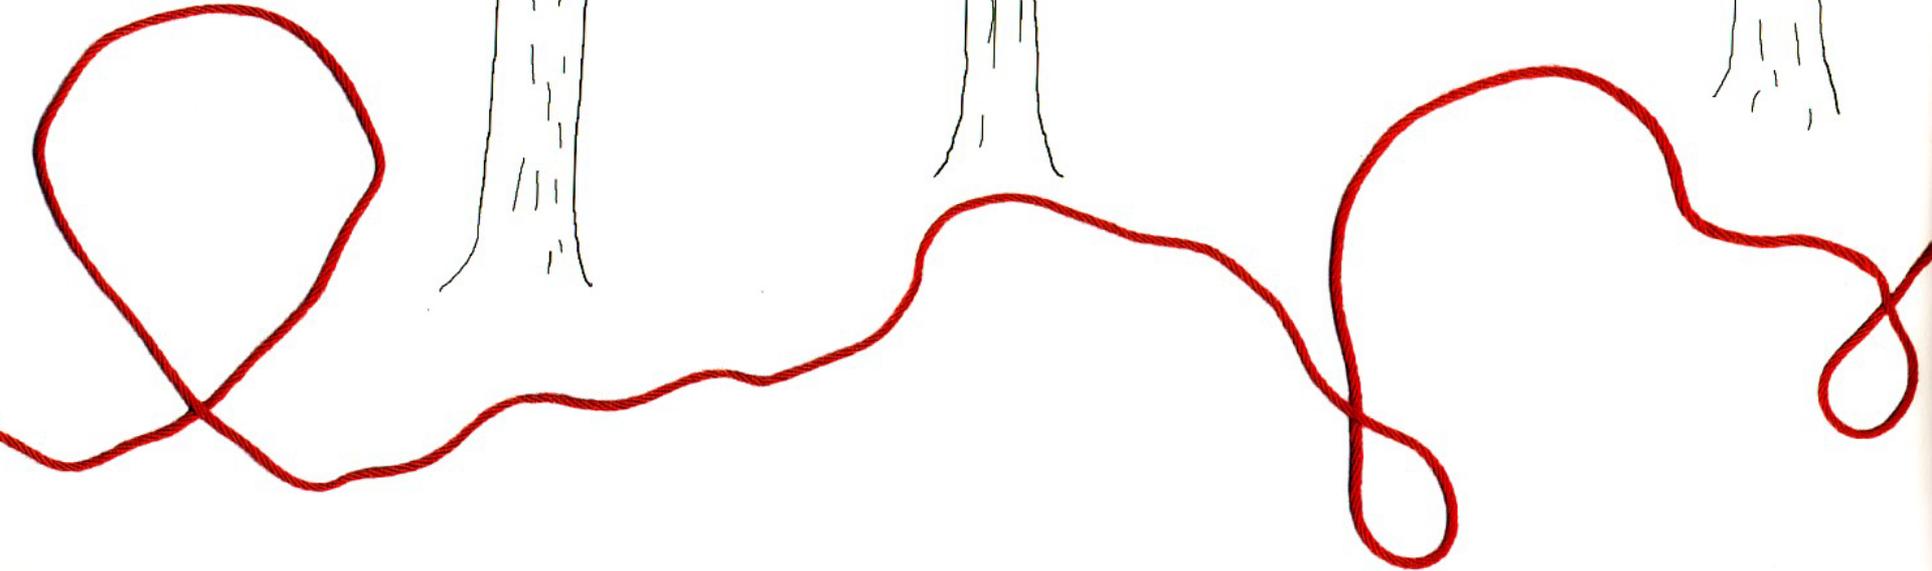

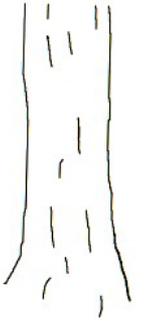

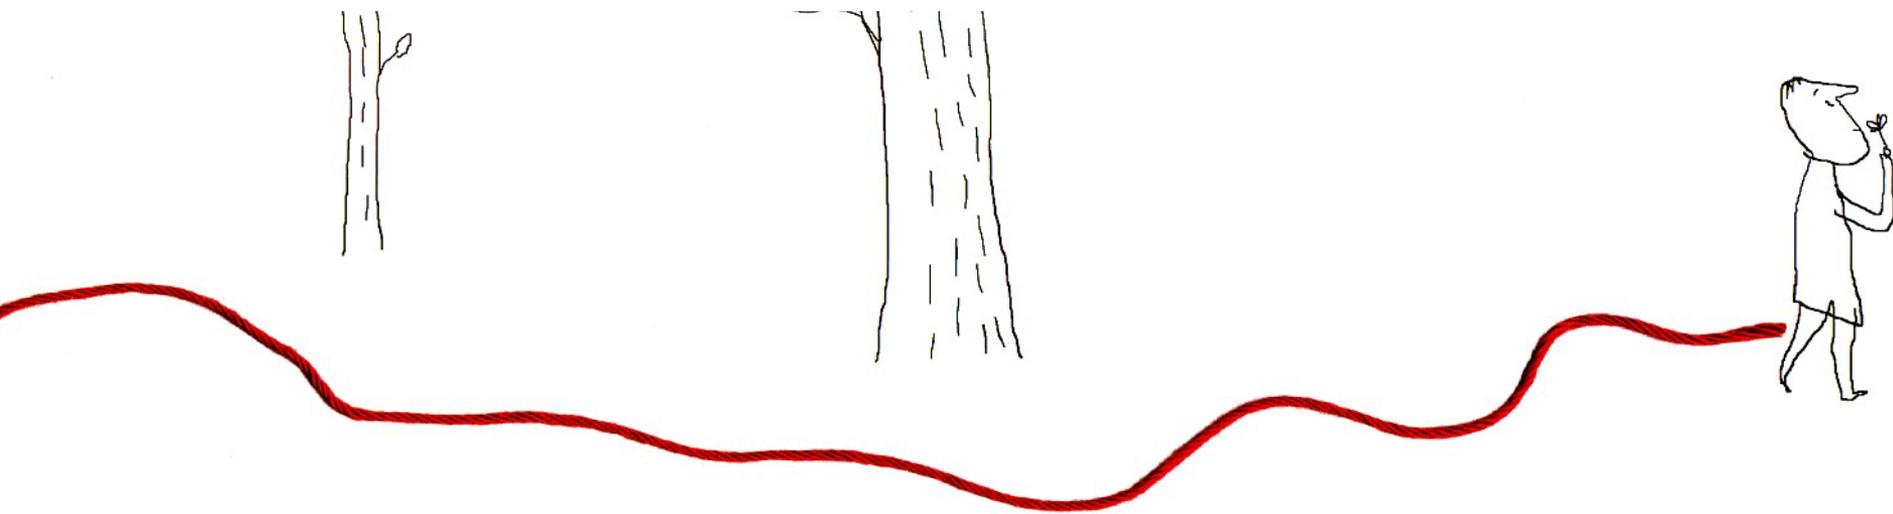

...que llegue la Navidad

Espero...

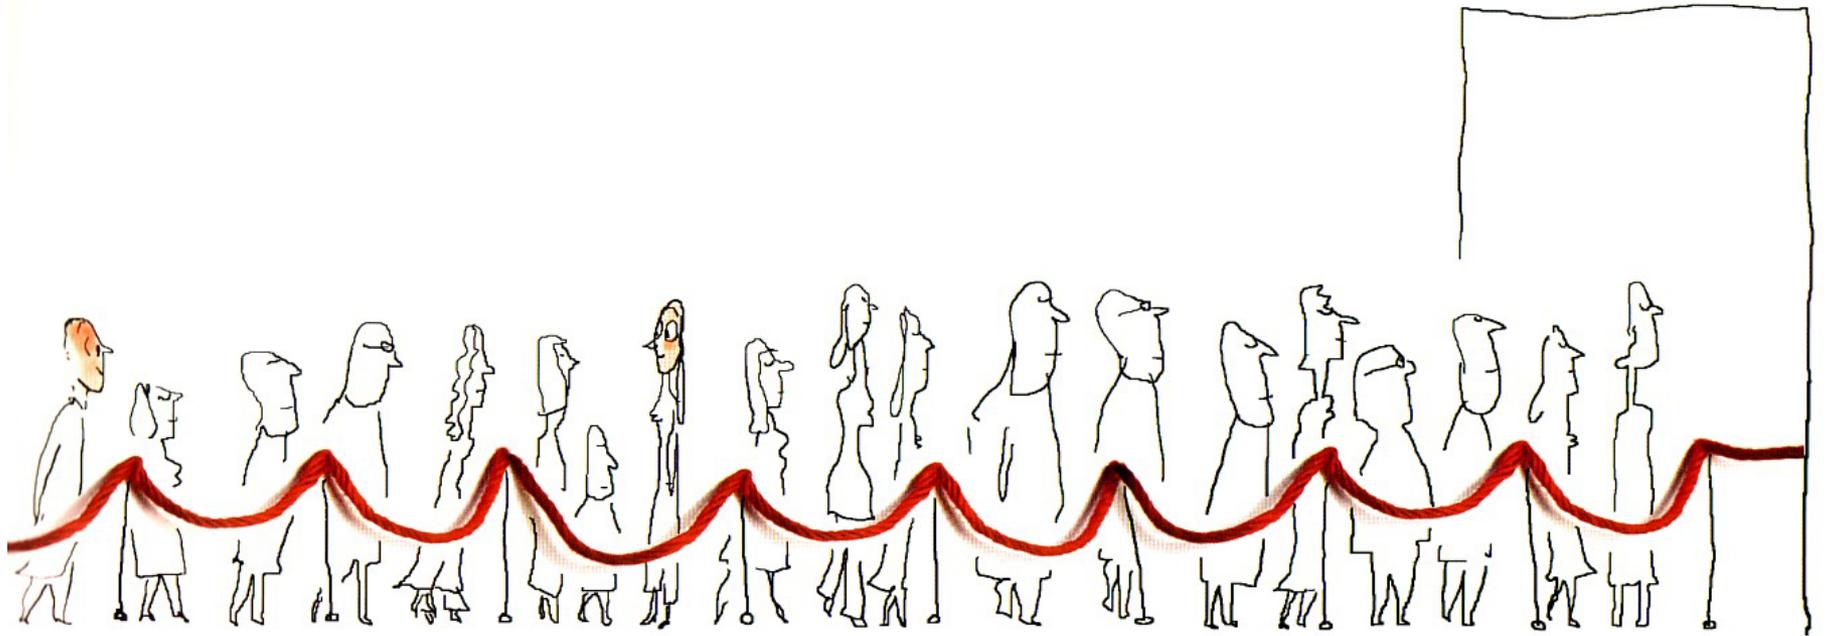

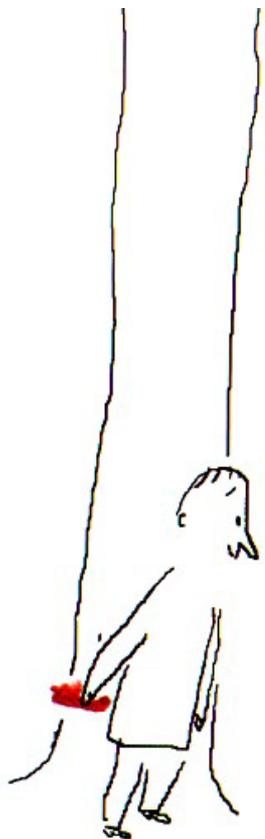

...el amor

...que empiece la película

C I N E

...volver a verla

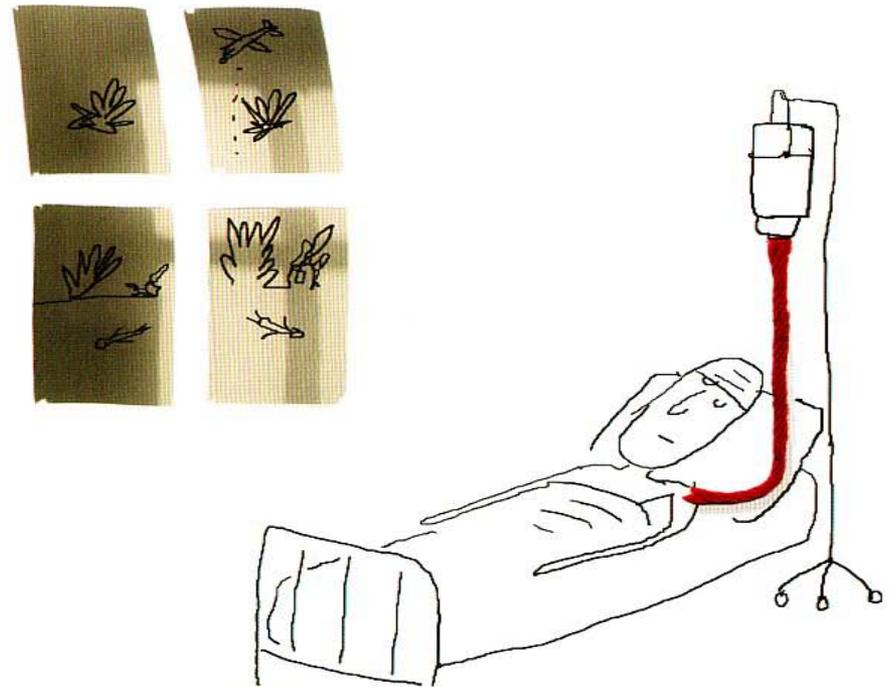

Espero...

...el silbido del jefe de estación

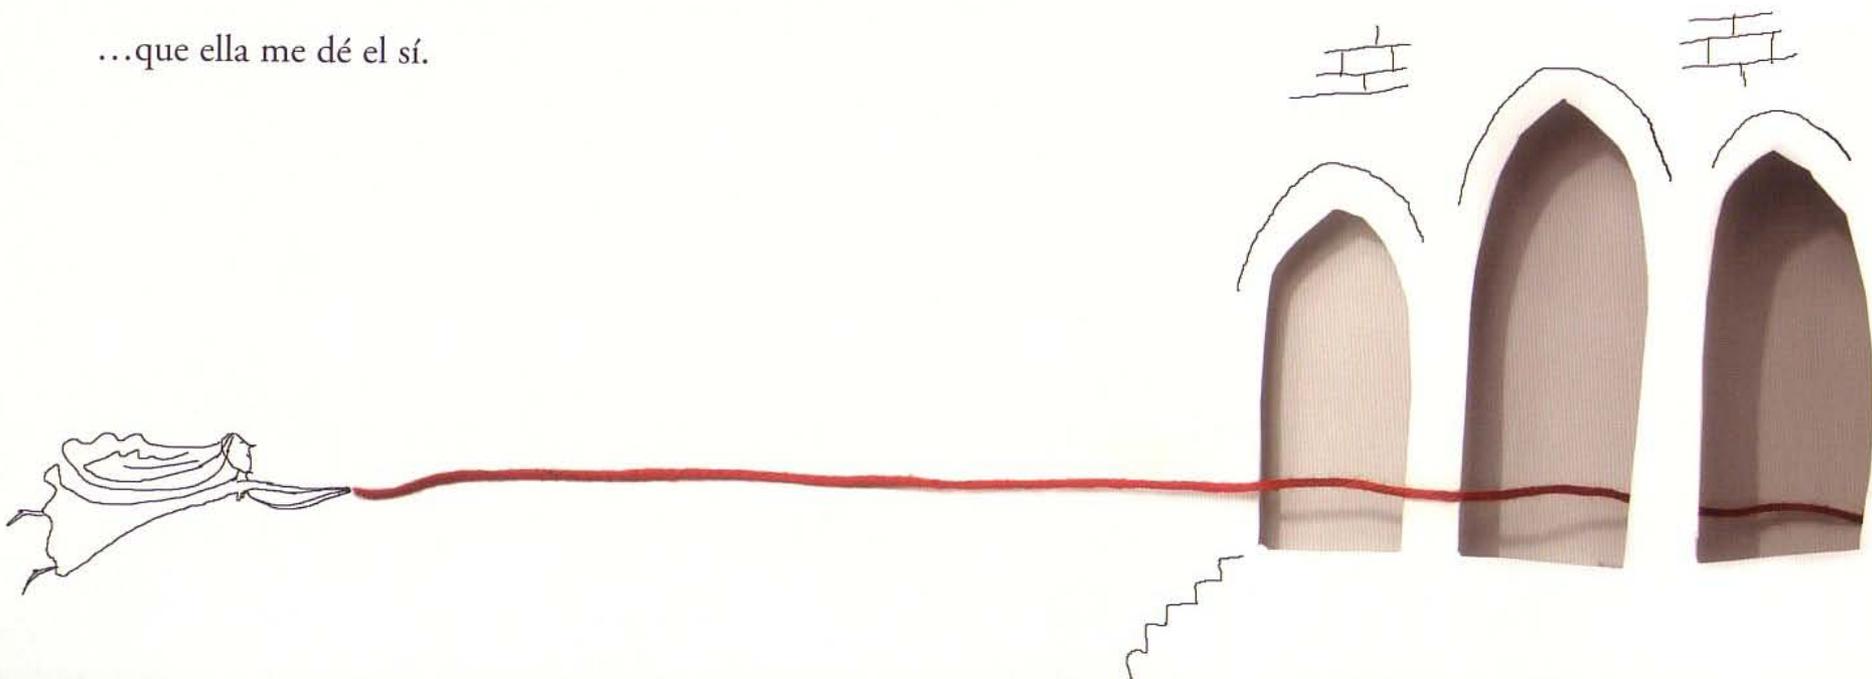

...el fin de la guerra

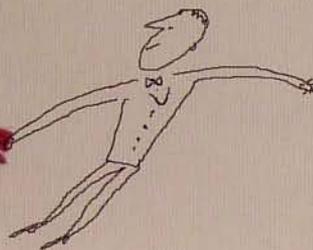

...una carta

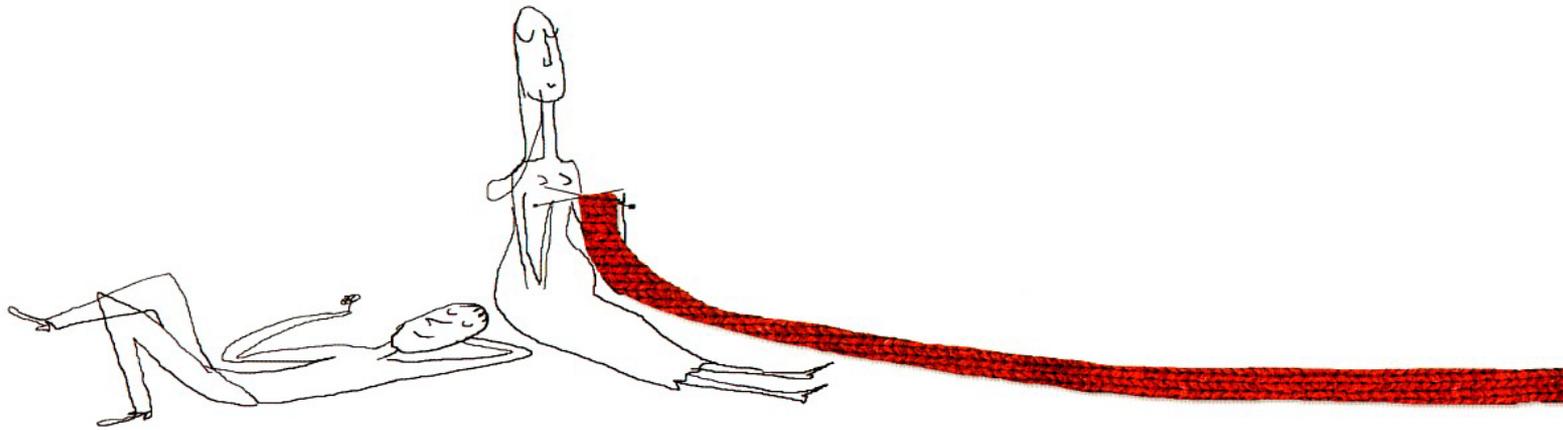

...que ella me dé el sí.

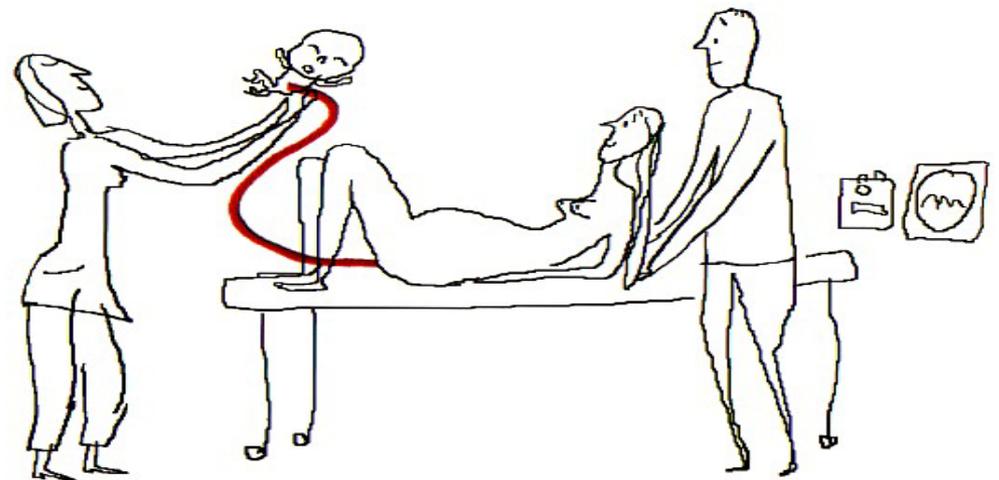

Espero

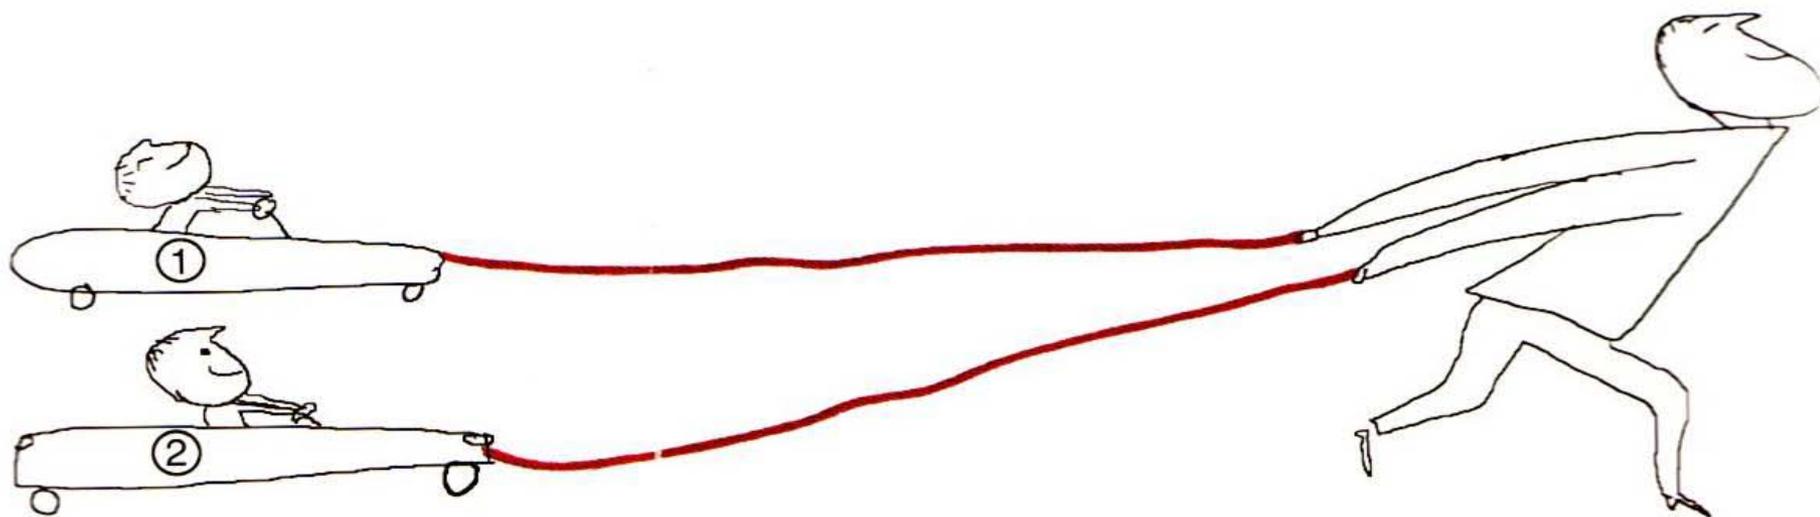

...un bebé

...saber si será niño o niña

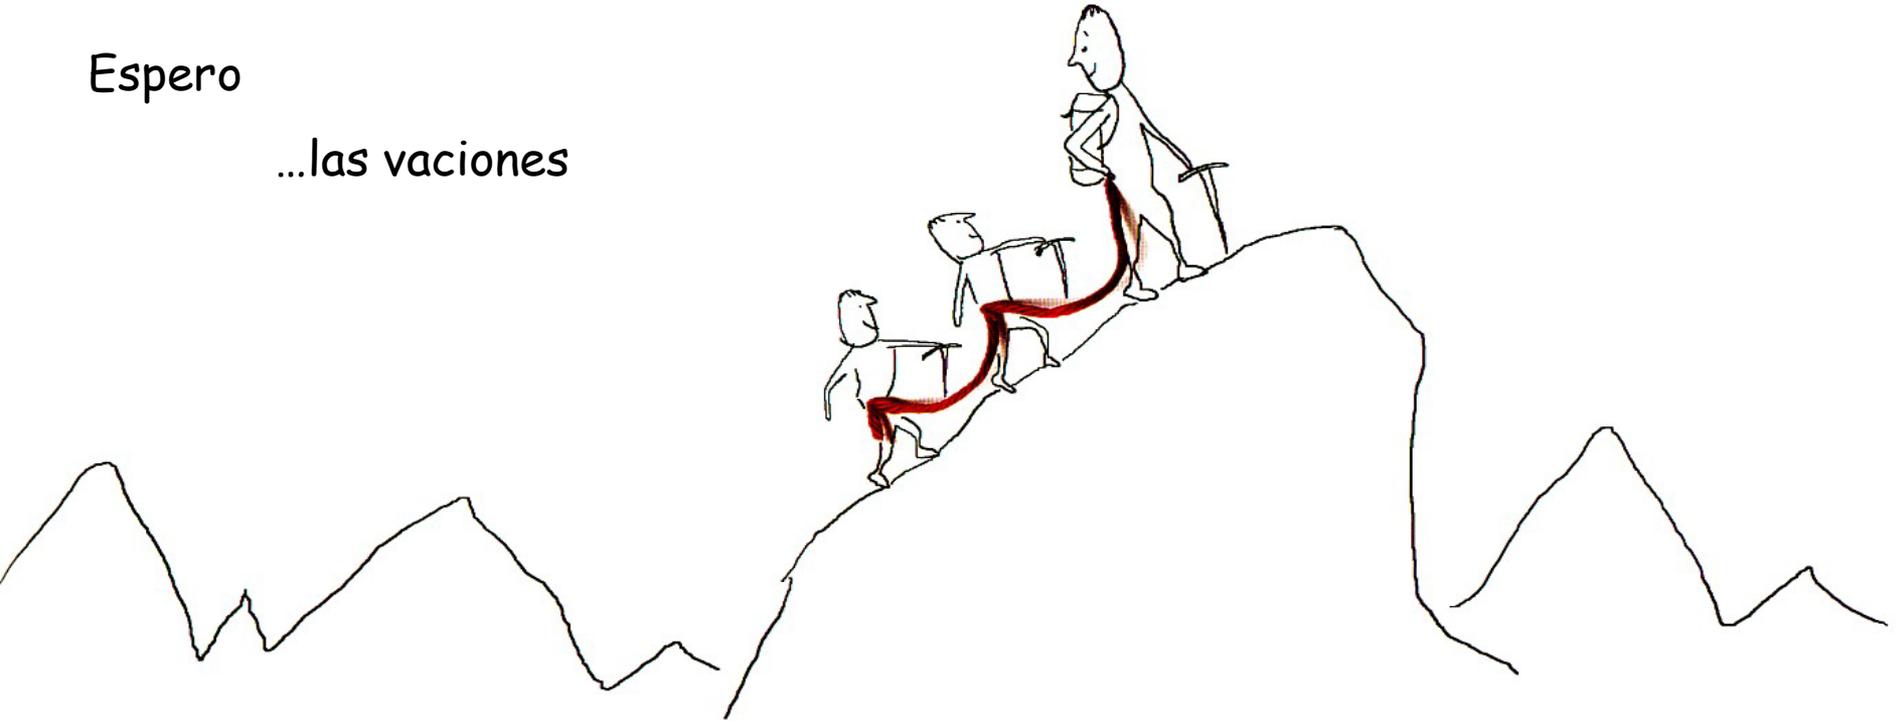

...que los niños crezcan

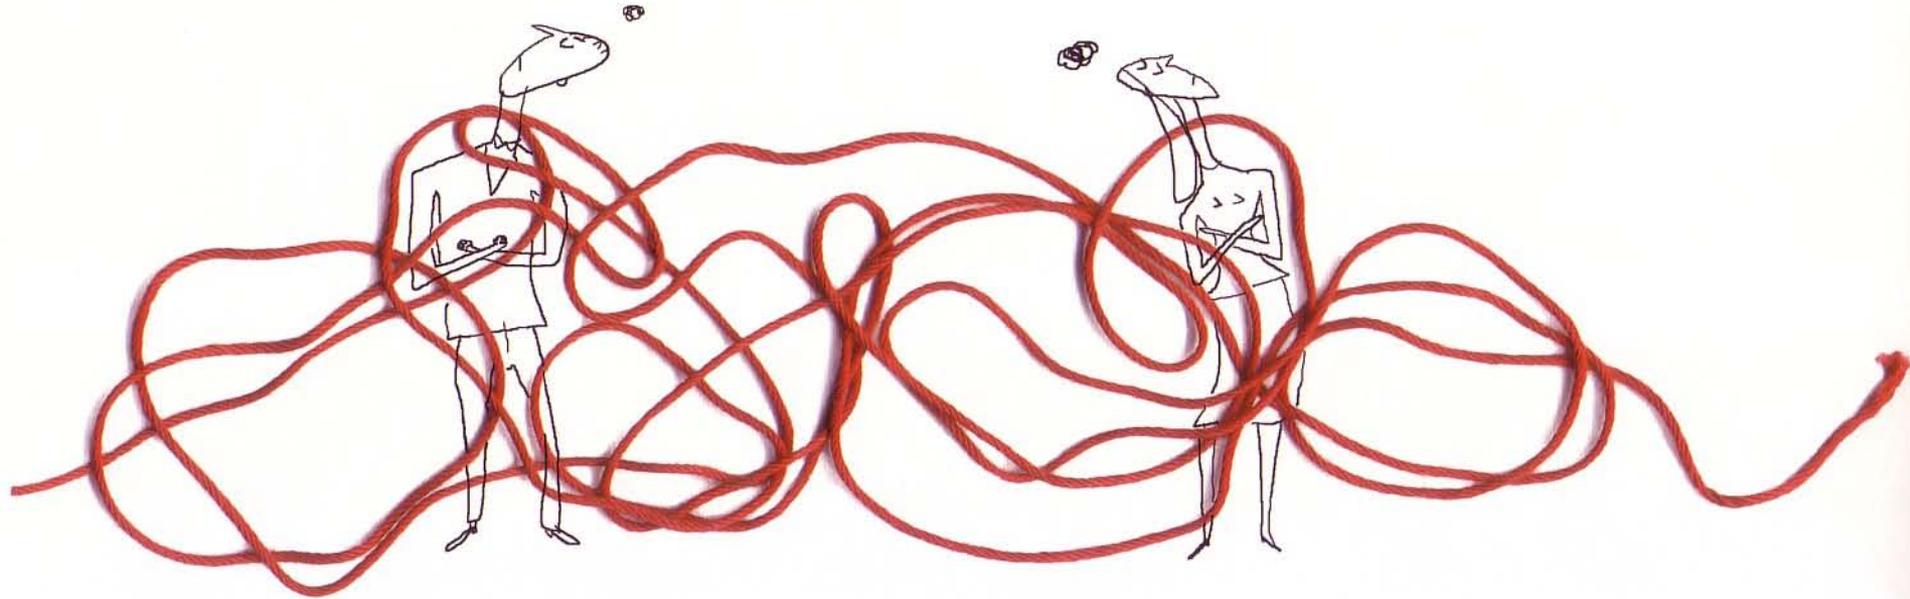

Espero

...las vacaciones

...que sea el otro el que pida perdón

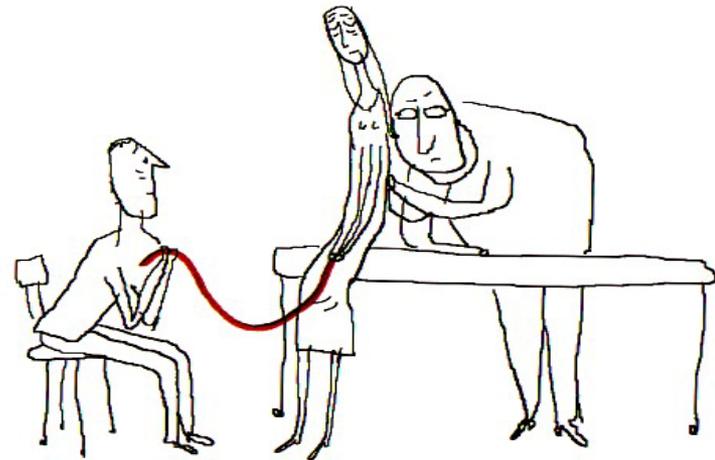

...que mis hijos llamen

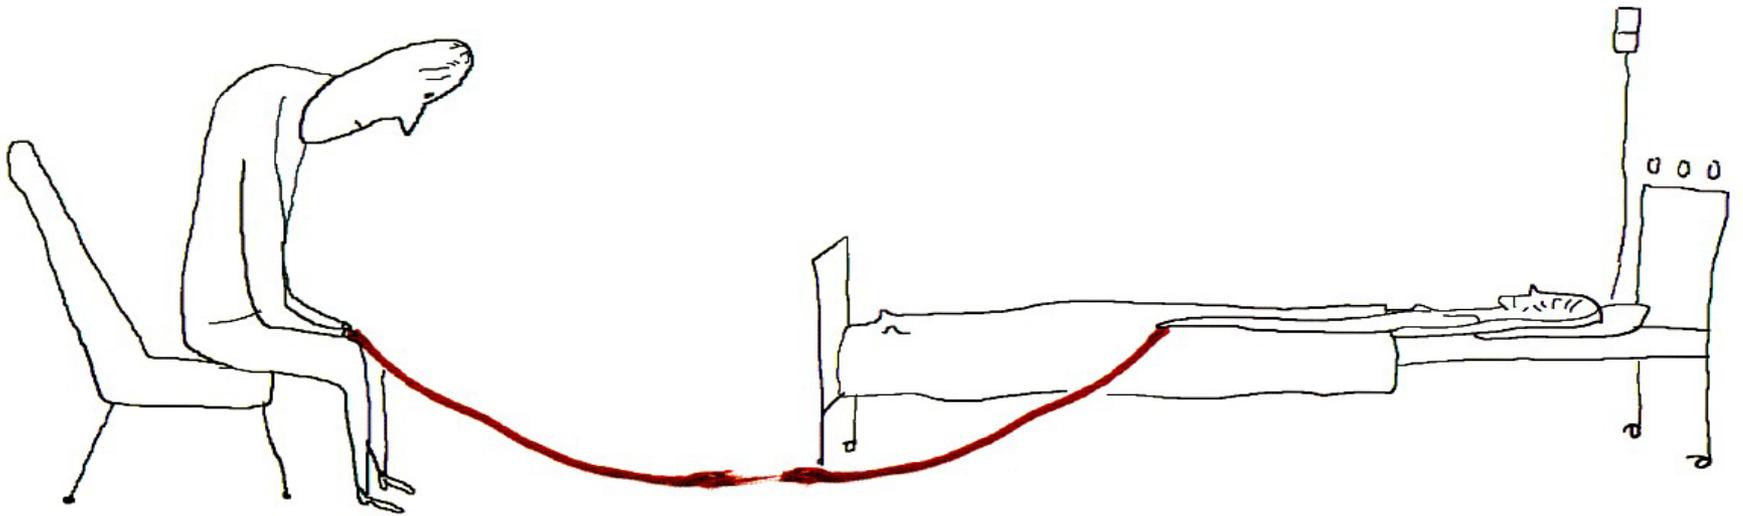

Espero

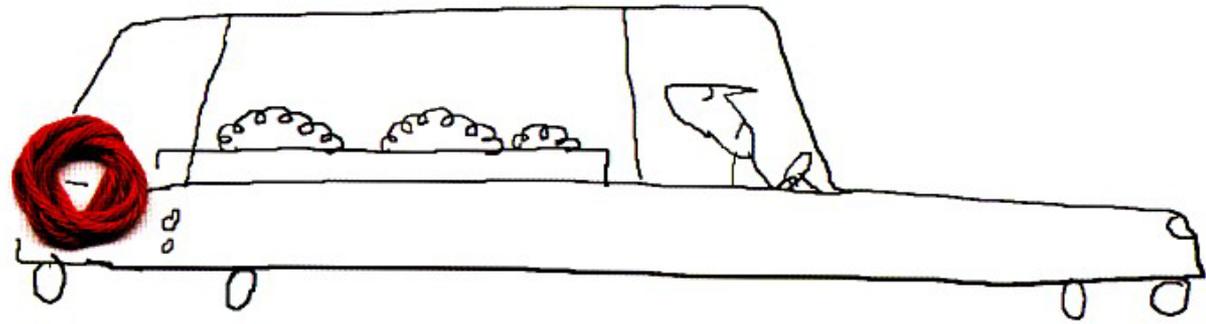

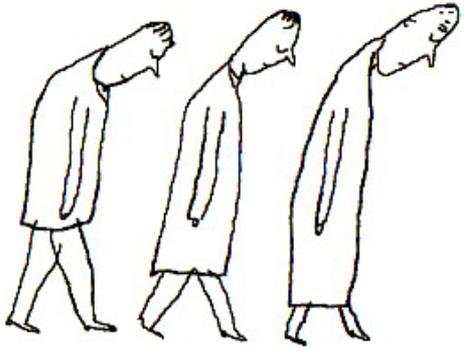

...que el médico diga "No será nada"

...que ya no sufra más

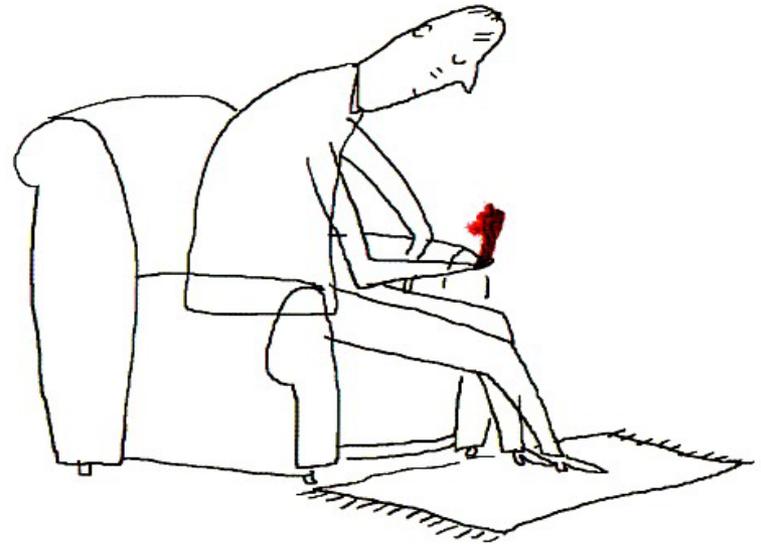

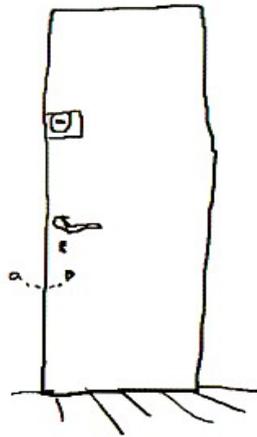

...

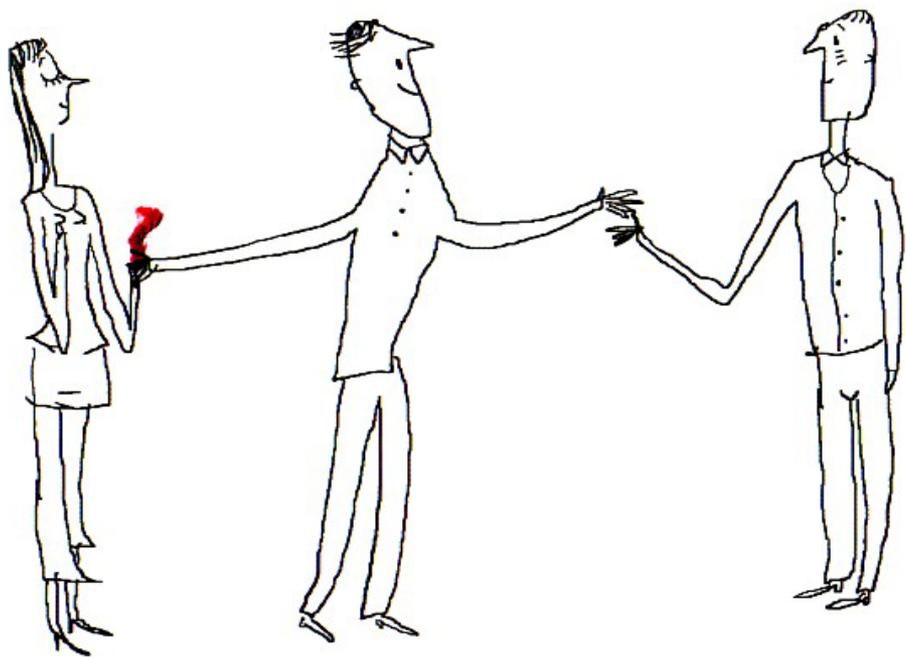

...que vuelva la primavera

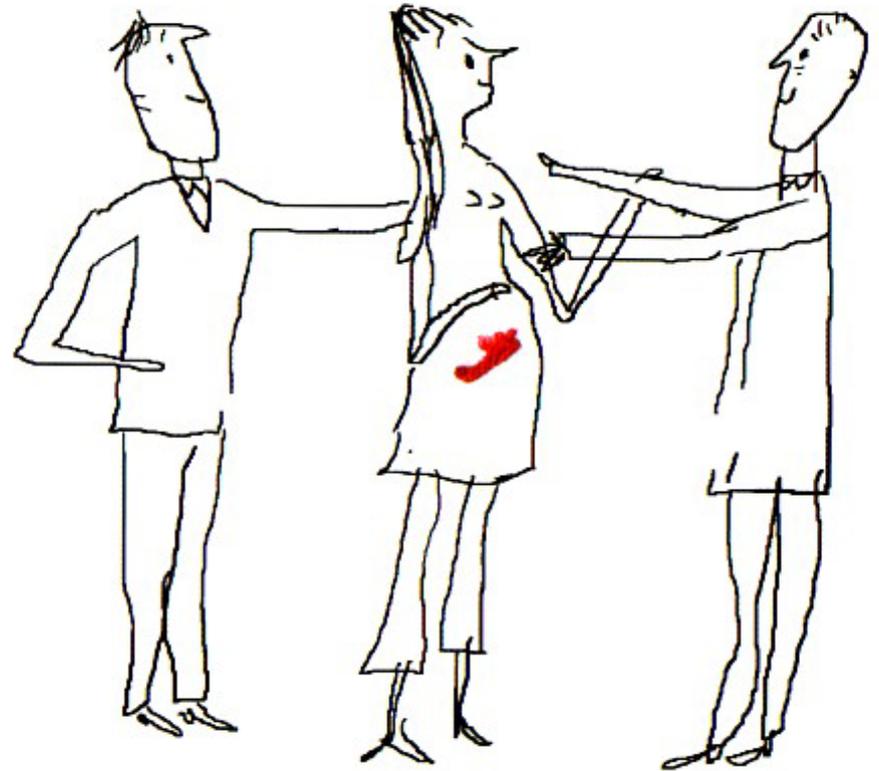

Espero

...que llamen a mi puerta

...que mis hijos vengan a verme

...que pronto haya  
una nueva vida en la familia
